

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

State and municipal laws and regulations concerning notification or registration of tuberculosis.

The following is a summary of replies received to circular letter addressed to the health officers of the different States and Territories:

TREASURY DEPARTMENT,
OFFICE SUPERVISING SURGEON-GENERAL U. S. M. H. S.,
Washington, D. C., February 21, 1901.

SIR: Please inform this Bureau if there is any State or municipal law or regulation in your State requiring the registration or notification of cases of tuberculosis.

Respectfully,

WALTER WYMAN,
Surgeon-General U. S. M. H. S.

STATE HEALTH OFFICER.
